Allegheny Financial Group Repeats as One of Pittsburgh's Top Workplaces

Pittsburgh, PA, August 21, 2017 — Allegheny Financial Group, a financial planning and investment management firm, is pleased to announce it has been recognized as one of Pittsburgh's Top Workplaces for the second year in a row. The Top Workplaces are determined solely by employee feedback through a survey conducted by WorkplaceDynamics, LLP, a leading research firm that specializes in organizational health and workplace engagement. The program, promoted locally through a partnership with the Pittsburgh Post-Gazette, measures several aspects of workplace culture including alignment, engagement, effectiveness, leadership, and more.

Allegheny Co-Managing Partner, Brandon J. Haynes, CFP® said, "The Top Workplaces survey provides valuable insight to our management team that we use to equip our employees with the tools and support they need to be successful." Co-Managing Partner, Jonathan A. Kuhn, CFP®, added, "Our staff empowers Allegheny to provide excellent service to our clients and carry on the philosophy the company was founded on over 40 years ago."

"Management shows a genuine concern for employees and that motives me to perform well for them," one employee wrote in response to a survey question regarding what about Allegheny Financial Group is motivating. Another employee commented, "They challenge us to keep growing in our knowledge of the industry and provide hands-on training when applicable."
