Dear Valued Client:

Allegheny Financial Group's mission to help our clients invest in their "Peace of Mind" has never been more important than it is now during these uncertain times. We are actively monitoring the Coronavirus (COVID-19) outbreak and taking action to maintain our services and support you without interruption while our physical offices are closed. We understand that this global situation has a far-reaching impact that affects our clients and our community. We wanted to take a few moments to share with you the steps we are taking to minimize the impact on our clients and ensure the well-being of both our clients and employees.

Communicating with Us

- The best way to contact us is the same way you always have. Please reach out directly to your financial advisor or a client service associate team member by phone or email.
- Call our main phone number at 412.367.3880. We are answering calls remotely, and after business hours, you can leave a voice message.
