Dear Valued Client:

We hope this communication finds you well and looking forward to the upcoming holidays.

Allegheny has been looking ahead to determine how best to continue providing our high level of service to our clients while keeping our clients and staff's health and safety our top priority. We evaluated our clients' needs, employee considerations, and Allegheny County and the Pennsylvania Department of Health restrictions and guidelines. Based on all these factors, we determined that our physical offices would remain closed, and we will continue our remote business operations through March 31, 2021.

We are encouraged by the feedback we have received from clients like you about the transition to virtual meetings and digital platforms that help us serve you more efficiently. We will continue to implement more tools to provide you the high level of service you expect from our firm. Please contact your financial advisor or a staff member if you have any questions or would like more information on our digital offerings.

We will continue to update you on our office re-opening plans. In the meantime, we encourage you to sign up for our blog at [alleghenyfinancial.com/blog](http://alleghenyfinancial.com/blog) to receive market and economic updates from the Allegheny Research Team. Thank you for your continued support and confidence in Allegheny Financial Group and Allegheny Investments. We wish you and your family a healthy and joyous holiday season.

Sincerely,
